## NUTA Mentorship System 2024

Members of the National University Teaching Awards (NUTA) committee aim to support applicants with appropriate mentorship for the development of portfolios.

Candidates who require support in preparing portfolios should contact the teaching and learning specialists at their institutions. Should further guidance be required, past awardees are available to offer mentorship on an individual basis.

There are a limited number of mentors, and each mentor will work with one candidate only. Requests for mentorship should therefore be submitted as soon as possible to Dr Karin Cattell-Holden at [kcattell@sun.ac.za](mailto:kcattell@sun.ac.za).
